

Release Notes

November 21st, 2010

Enhancements

A Student Summary area has been created under Reports. This is the beginning of the "digital backpack"
Files and bookmarks have been combined into a single Files/Bookmarks tab within the Library and My Classes areas.
Notification settings and options have been updated/enhanced
ISTAR: Grade levels are now updated nightly for PW or PK students based on their date of birth.
ISTAR: Parent Report: This report is only available for case managers.
ISTAR: School numbers are displayed next to the school name when searching for a student by school.
